

Physical Map of Palestine

The terrain-vegetation model map depicts the natural vegetation of Palestine as far as it can be determined. Primary ground cover has undergone changes by time and man.

Zoom In!

The new Zoom feature in QuickVerse 2005 provides close viewing of these high-resolution maps (Physical Map of Palestine)!

The Exodus

The route from Rameses to Mount Sinai relates the events of God's rescue of the Hebrew people from slavery in Egypt, and their subsequent journey to Canaan. In and through the Exodus, God revealed himself to Israel in many unique ways.

Journeys of the Apostles

Journeys of Philip, Paul, Peter, and Barnabas

Empire of David and Solomon

Little is recorded about the expansion of David's rule from the tribal area of Judah to a vast empire stretching from the Nile river of Egypt to regions of the Tigris-Euphrates valley. Nothing in secular history negates the biblical perspective that David had the most powerful kingdom in the heart of that "Fertile Crescent" about 1000 b.c..
